December 12th,  
2022

We are happy to announce the Woolie Christmas Gnomes Mystery Stitch-A-Long.

Mark your calendars and tell your friends about this FREE event you don't want to miss! The talented designers who brought you the Woolen Oak and Potted Petals and other great Stitch-A-Longs, have joined again to bring another fun project!

Beginning September 12, 2022, and every Monday following, one of the participating designers will feature their own Wool Applique "Christmas Gnome" available as a FREE downloadable pattern and a wool applique kit for purchase! Each Kit will include homespun background, wool, pattern, and embellishments. Follow the schedule below and visit each individual designer's website/social media to order or download the free pattern...only for a limited time!

Find tutorials and other helpful content to help make your project. While on each website, check for teaching & show schedules or other great designs and offers.
